For over the past decade **BEAUFORT GLOBAL** has been a leading FDI, Asset Management, Investment & Development advisory firm based in United Arab Emirates and operating on a global remit with focus on hospitality real estate for hotels, resorts, commercial, residential, infrastructure, master development, mixed-use and governmental FDI initiatives. Founded in Dubai since 2009 with a flawless reputation for excellence, quality and delivery, it has over the past decade established relationships of trust at the highest levels of government as well as private and public sector enterprise for the execution of global mandates on results-oriented delivery.

René Beil, Managing Director of Beaufort Global, brings a lifetime of seasoned history in hospitality investments, asset management, development, operations, management and finance, to the group. Having his roots from an international luxury family owned hotel brand and accompanied by a comprehensive network of personal and private relationships at senior principal levels in Government, Commerce and Finance. He has led FDI trade and investments development and growth initiatives on multiple continents as prime driver of investments, asset management and development for Sovereign Wealth Funds, Government, Public & Private Companies, Royal Families, Ultra High Net-Worth Individuals as well as Family Offices. Beil is fluent in English, French, German, Dutch and proficient in Spanish.

Beil is of German nationality, was born in Singapore and raised in South East Asia, Bali, Manila and Hong Kong, He spent his adolescence in Europe, The Hague, Geneva, Brussels and Paris where he pursued a successful hotel career with InterContinental Hotels and Four Seasons Hotels & Resorts. Subsequently, he ventured to Boston in the United States of America, in the pursuit of academic achievements. From Boston and Economics. He is today an active member of the Advisory Board to Boston University School of Hospitality and that of Metropolitan College.

In his past appointment as Vice President Asset Management of Dubai Investment Group, his responsibilities included the asset management of the international hotel and real estate asset portfolio of Dubai Holding, which included iconic assets such as the Burj Al Arab, Emirates Towers, Jumeirah Hotels & Resorts portfolio and additional international real estate assets with total assets under management of USD 7+B. In addition, he was mandated to seek investments, develop & grow markets in Latin America and cultivate bi-lateral trade & investment opportunities between both continents of the Middle East and Latin America for FDI.

Beil is elected President and a founding member of HAMA MEA, the Middle East & Africa chapter of the most reputable global non-profit association, Hospitality Asset Managers Association, which has the aim to bring professional & international business standards as well as quality asset managers through education, advancement of the profession, and serving as the collective industry voice of hospitality ownership.

In 2018 BEAUFORT GLOBAL most valuable strategic partner for FDI as well as enhancing business competitiveness and sustainability. Beil continues to work closely with Public & Private sector for cross country bi-lateral investments and trade on a global remit.
